## **News Release**

For Immediate Release: February 29, 2016

### **Work on Halewili Road Main Replacement Project starts today**

KALAHEO – The Department of Water (DOW) announces the Halewili Road Main Replacement Project in Kalaheo will begin today, Feb. 29.

Starting today through October 2016, the DOW advises motorists of traffic delays at the intersections of Kaumualii Highway (Route 50) and Halewili Road (Route 540) in the vicinity of Mile Post 12.1, and at Haku Hale Street and Halewili Road, due to the replacement of an 8-Inch water mainline along the highway.

Work hours are Monday through Friday, excluding holidays, from 8:30 a.m. to 3 p.m.

During this time, a one-lane closure and alternating traffic control may be in place to conduct the work. Motorists are advised to allow for extra travel time and to drive cautiously through the project area.

The DOW and its contractor Kaiwa Construction Inc. apologizes for any inconvenience and thanks residents for their patience.

For more information on the Halewili Road Main Replacement Project, contact Russell Leong of Kaiwa Construction Inc. at 828-1157 or DOW at 245-5461.
